**CONTINUOUS HANGER™
 FOR RAIN GUTTERS**

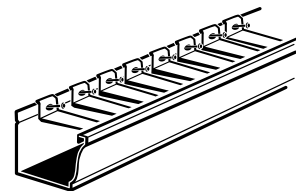

- For new rain gutters
- Lifetime warranty on sturdiness and 25-year clog-free warranty
- Can hold up to 250 lb per linear foot
- Protects gutters year after year from the weight of ice and snow
- 30 inches of rain water can flow through the screen in a single hour
- Serves as a UV-ray shield to prevent cracking and leaking at corners

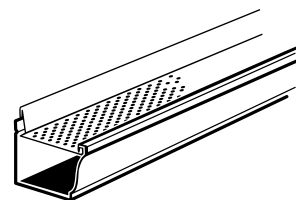

**CONTINUOUS HANGERS™:
 WHAT IS IT?**

Rain gutters are commonly installed with spaced hangers that cause weak spots on the gutter between each hanger.

To avoid weak spots, hundreds of hangers would need to be added, but this is not a very efficient practice..

With a continuous hanger™, the rain gutters are reinforced along their entire length.
